

BIG RIVER CLASSIC – 2012 – RESULTS

The 2012 Big River Classic was a success. We had a total of 970 teams compete for prizes, cash and an opportunity to qualify for the World Series 2012 Finals. The Mojave Crossing Event Center is very nice and weather is not an issue when putting on event at this facility. We thank all of the ropers and their families for coming and roping with us. Thanks also to our great crew and the staff at the MCEC, which did a wonderful job, we appreciate all of you. Looking forward to a great summer roping season and hope you all can make it to our events. Please check out our website at fullerteamroping.com for a schedule of our upcoming roping events.
